Subject: Introduction of FAIR Plan Online Commercial Application

Effective: Immediately

The California FAIR Plan has launched a new online application for Commercial policies.

The **online Commercial Application** can be found in the **Producers System** just below the Dwelling Application. The link to the Producers System is under the Producers tab of the recently updated web site.

This new online Commercial Application will simplify the submission of commercial business to the FAIR Plan. This application is for Commercial fire policies only, and not available for Businessowner's (BOP) policies.

Please note that although it is now possible to submit Commercial Applications online, the quote will be produced and mailed to you in 3 to 5 business days. Go to www.cfpnet.com and see what's new!
