Re: Revised Businessowner's (BOP) Application Online
Effective: Immediately

Our revised Businessowner's (BOP) Application (Acord 856 CA 2010/05) is now available and can be downloaded from our website (www.cfpnet.com) for new business submissions. The application has been streamlined for ease of use.

The BOP consists of fire and limited liability coverage, as well as business income/extra expense coverage for eligible retail/processing risks, and commercial structures.

Existing underwriting guidelines apply relative to property eligibility and effective dates of coverage. Please review the policy forms and coverage/eligibility rules on our website prior to making a new business submission.

Please forward this notice, or advise everyone in your office that handles FAIR Plan commercial lines accounts to begin using this new application immediately.
