**General Information**

1. Complete all sections of the application. Incomplete applications will be returned. Depending on the location of the property, the names of three (3) carriers declining to insure the property may be required. Please refer to our website at [www.cfpnet.com](http://www.cfpnet.com) under Eligible Areas. Duplicate insurance is not permitted.

2. Answer all questions on property damage losses. If there is existing damage, attach a copy of the contract for repairs from a licensed contractor, signed by both the applicant and the contractor.

3. There are coverage restrictions / exclusions in the policy for buildings which are vacant or unoccupied. A FAIR Plan Vacancy Permit Endorsement is necessary to provide coverage for Vandalism or Malicious Mischief.

4. For a dwelling in the Course of Construction or undergoing a significant remodel / renovation, complete a Commercial application.

5. A fully completed and signed application can be faxed to (213) 252-8084 or emailed to cfpuw@cfpnet.com.

**General Guidelines**

1. A Dwelling policy may be issued to insure:
   - A building used exclusively for dwelling purposes (other than Course of Construction) with not more than four (4) apartments and with no more than five (5) roomers or boarders in total, including trailer homes, mobile homes, or floating homes used exclusively for dwelling purposes at a fixed location. Trailer or mobile homes are not eligible for Replacement Cost coverage.
   - Household and personal property in an apartment, condominium, or private living quarters of an applicant. (Not eligible for Replacement Cost coverage.)

2. Complete a separate application for each dwelling. Note that a guest house with cooking facilities requires a separate application and cannot be insured as an "Other Structure." A guest house without cooking facilities also requires a separate application if it is being rented to someone other than the owner or tenant of the primary dwelling on the property.

3. Describe any "Other Structures" in the COVERAGE AND RATING INFORMATION section and provide a value for each structure for which specific coverage is required. Attach a schedule, if necessary. "Other Structures" denotes structures other than the dwelling that are not attached to it, such as an unattached garage, tool shed, pool house, swimming pool, fence, gazebo, walkway, etc. A separate amount of insurance may be needed for these items to ensure adequate insurance coverage. These structures are not eligible for insurance under the dwelling program if they are used in whole or in part for commercial, manufacturing, or farming purposes.

4. The standard deductible is $250.00. However, rate credits for both structure and contents are provided if a higher deductible is requested. Select only one deductible amount.

5. Check one (and only one) box in the COVERAGE AND RATING INFORMATION section for the following items: units, construction and occupancy.

**Perils You May Insure Against and Optional Coverages Available**

1. Standard perils insured against include Fire or Lightning, Internal Explosion and Smoke Damage.

2. Additional perils you may insure against that are typically purchased:
   - Extended Coverage (ECE). Includes coverage for loss caused by Windstorm or Hail, Explosion, Riot or Civil Commotion, Aircraft or Vehicles and Volcanic Eruption.
   - Vandalism or Malicious Mischief (VMM). Only available if policy includes ECE.

3. Optional Coverages Available:
   - Replacement Cost. An "Optional Replacement Cost Addendum", Form CFP-RCA-2 must be submitted to determine eligibility (form available at [www.cfpnet.com](http://www.cfpnet.com)). Construction Cost Increase is required for any policy with the Replacement Cost endorsement (see 3.b.).
   - Construction Cost Increase (for Dwelling, Condominium Improvements, Alterations and Additions, and, if present, Ordinance or Law Coverage). Automatically included unless declined (subject to maximum limit of liability available).
   - Fair Rental Value. Coverage can be purchased for up to 20% of the Dwelling Limit (in addition to the 10% sub-limit built into the policy contract). For condominium unit owners, Fair Rental Value coverage can be purchased for up to 20% of the Improvements, Alterations, and Additions limit.
   - Ordinance or Law. Coverage can be purchased for up to 10% of the Dwelling Limit (or 10% of the Improvements, Alterations, and Additions limit for condominium unit owners).
   - Other Optional Coverages that may be added to a policy include: Plants, Shrubs and Trees; Fences; Awnings; Outdoor Radio and TV Equipment; Signs; Building Improvements, Additions and Alterations.
   - Earthquake Coverage. Available through the California Earthquake Authority (CEA) as a separate policy. Submit separate CEA application (available at [www.cfpnet.com](http://www.cfpnet.com)).

IMPORTANT NOTICE TO ALL APPLICANTS
WHO CHOOSE TO DEAL DIRECTLY WITH THE FAIR PLAN

As you have voluntarily chosen not to be represented by a licensed property and casualty insurance agent or broker for advice relative to the appropriateness and adequacy of your policy coverages, we wish to inform you of the following items that should be considered by you:

1. Although licensed insurance agents or brokers are not agents of the California FAIR Plan Association, they may place business with the FAIR Plan acting as an agent of the applicant or policyholder. The FAIR Plan recommends that applicants or policyholders seek the advice of such a professional in determining their insurance needs.

2. The selection of insured values and coverages are the sole responsibility of the applicant or policyholder and the FAIR Plan makes no representation as to the adequacy or appropriateness of the values and coverages selected.

3. You pay the same premium whether or not you are represented by an agent or broker.

4. FAIR Plan employees or independent contractors (property inspectors, claims adjusters, etc.) engaged by the FAIR Plan may not give advice as to an applicant's or policyholder's insurance needs.

I have read and understand the information regarding my decision to deal with the FAIR Plan without the advice of an insurance representative.
